

Hooters Peoria Closing

After 18 Years

FOR IMMEDIATE RELEASE

Monday, May 3rd, 2021

Peoria, Arizona- April 21, 2003 Hooters opens its doors. After 18 years serving Hooters world famous wings, Hooters Peoria location will be closing May 9, 2021.

Hooters Peoria has enjoyed being an active participant in the community and is grateful for their loyal guests and exceptional staff.

"We were supported for 18 years by our outstanding, loyal guests. Our Peoria location hosted many memorable occasions for thousands of our neighbors. We appreciate our community and the support for so many years." Keith Hillsbery, VP of Operations Arizona Hooters. "Unfortunately with the restrictions and issues we faced over the last year, it is time for us to close this site. We will focus on searching for new locations that will continue our legacy and support the new Hooters contemporized designs."

Any new Hooters opened will be constructed with a delectable combination of the familiar, fun-loving persona of the Hooters brand.

Additionally, all staff have been offered positions at our other locations and concepts with all their tenure and positions intact. We know that our staff is the core and foundation of what we do and we hope our valued guests continue to visit them at their new locations.

The restaurant plans to be open for the next week, closing on Sunday at 10pm. "We want to provide an opportunity for our guests to come in and enjoy a visit, feast on their favorite food and have a fun goodbye prior to our closing of the Peoria location." Brian Weston, Owner
